1. From the Director's Desk

As a institution of legal education and research, the National Law Institute University plays pivotal role for nurturing future legal luminaries & legal professionals. We focus on creating an academic environment that facilitates students to inculcate well-developed intellectual skills in their field of specialization, grooming the students and enhancing their academic and inter personal skill sets and finally making them wise human beings. The University is offering high quality education, constantly working on ways to achieve its objectives, vision and mission.

It's our pleasure being the driving force for the students in achieving their academic and personal goals with the help of our energetic team of faculty and staff with support from all the fronts. We are making important strides on various fronts related to academic, culture and community support programme.

It gives me a great pleasure to recollect some of our milestones during the year 2013-14 that have equipped us to maintain our competitive edge in legal education and research. I am happy to mention here only some of our major achievements

We have successfully conducted / provided assistance at Bhopal Centre for the Common Law Admission Test (CLAT - 2013) organised by the Member - CLAT University Hidayatullah National Law University. The NLIU Bhopal also conducted the Ph.D. and MSCLIS Entrance Test for the admission in its academic programme for the academic session 2013-14, as well as conducted interviews for the admission in its two year Master of Science Course on Cyber Law & Information Security (MS-CLIS). The National Law Institute University, Bhopal, also provided necessary assistance for the smooth conduct of Entrance Test of the National Law University, Delhi, for admission to Ph.D., LL.M. and Five years integrated B.A.LL.B. (Hons.) Programme. Various rating agencies have improved our rank based on our academic achievements.

Our students have brought laurels in several fronts, and have been selected for the many prestigious internship under esteemed Judges of the Hon'ble Supreme Court of India. Further leading law firms are selected our students during the placement process. The students of the NLIU have published a number of articles in various reputed national and international journals; our students have achived positions in various administrative and judicial services selection exams.

NLIU has also successfully organized The Fourth Juris Corp National Level Corporate Law Moot Court Competition from 18.10.2013 to 20.10.2013, Justice R.K. Tankha Memorial Moot Court Competition was held from 28.02.2014 to 02.03.2014 and Fifth Annual Sports festival 'Virudhika-2013' at NLIU. The session 2013-14 surely stands apart from all other mooting sessions as NLIU was Ranked 1 in MPL for over three months. From being the Winners at the prestigious Surana & Surana

National Corporate Law Moot Court Competition; to being Semi-Finalists at 10th KK Luthra Memorial National Moot Court Competition and 15th DM Harish International Moot Court Competition NLIU has set new records. We also won the 3rd Dr. AT Markose National Moot Court Competition and 1st NLUO Maritime Law National Moot Court Competition.

NLIU has organized various seminars/ conferences/workshops/training programmes few of them are Act (Law) Relating to Child and Women.” in association with Directorate of Women Empowerment, Government of M.P., A State Level Training Programme on 'Intellectual Property Laws' from 10.02.2014 to 11.02.2014 for the Training of Police Officers of the rank of Sub Inspector onwards, National Workshop on Copyright Laws in India from 13.02.2014 to 15.02.2014, A National Conference on Reforms in the Patent Law in India was held from 04.03.2014 to 06.03.2014 and Training Workshop on the topic 'Storage and Retrieval of Legal Information' in association with ICSSR-National Science Documentation Centre, (NASSDOC) & National Law Institute University from 08.03.2014 to 10.03.2014 in the NLIU.

Many eminent and important personalities have visited NLIU and interacted with the faculty members as well as our students during the year 2013-14 on various occasion.

In short 2013-14 was a year of great achievements, opportunities and success. We have marched a few steps forward in accomplishing of our mission. Thanks to the sincere efforts and valuable contribution of our faculty, staff and students, that we have emerged this year in many ways stronger than before. We are also looking forward to yet another year for achieving excellence.

I wish to place on record my sincere thanks for support and guidance received from our Hon'ble Chief Justice of India, the Visitor of the University, Hon'ble Mr Justice A. K. Patnaik, Visitors' Nominee and Hon'ble Chief Justice, M.P. High Court, the Chairman of the University and all other respected Members of the General Council, the Executive Council and the Academic Council of the University.

11.4 E-resources

Electronic publishing with advanced communication technologies have opened up the possibility of

instantaneous access and dissemination of information as it is created. The trend is challenging the elimination of selection process. However quality, library relevancy, aesthetic, technical and the cost aspects remain the same in the electronic era of information. These offer ease of use, wider access more rapid updating, cost saving over local maintenance and storage. The Library has subscribed the following electronic resources which are accessible inside the campus.

List of E- Resources

S.NO.	Name of Electronic resources
1.	HEIN ONLINE (Internet based)
2.	JSTOR (Internet based)

11.5 Automation

In order to accomplish the objectives of increased operational efficiencies and relieve the staff from monotonous chores and enhance their productivity to user centered services, the Library has initiated automation and migration from manual methods to computerized system. Apart from automation, the Library has also implemented RFID based solutions to perform circulation, inventory, and multiple object identification, tracking and material flow management at a faster pace and in an efficient manner.

11.6 Hardware

Library has highly configured server with 13 desktops. Out of these eight are meant for the students and members of faculty for browsing E-databases. A high end scanner and network printer is also installed for providing user services.

11.7 Library Website

Libraries in the contemporary information society are increasingly relying on web technologies to disseminate the content and information services which are no longer limited to traditional physical and technical architectures. A web portal also assists the library users to access resources from their desk top. Library website developed as single windows access for legal information. In-house resources, open sources, free and subscribed databases are linked with it.
