Mentorship Programme

NAAC recently launched the NLIU-Alumni-Student Mentorship Programme (NMP). Under NMP interested Students of NLIU may benefit from the experience of the alumni with diverse backgrounds working in various fields who shall be actively involved in mentoring the students. The objective of NMP is to provide students a support system to help them maximize their potential and make the most out of the 5 year law program. The mentors shall be taking a few sessions round the year to assist the mentees in the practice area they plan to pursue.
