

## Annual Felicitation Ceremony 'Kritagya' Organized By SBA

On the 17th of April, the National Law Institute University (NLIU), Bhopal witnessed the second edition of its prestigious annual felicitation ceremony, *Kritagya*, organized by the Student Bar Association (SBA). The event, a vibrant celebration of achievement and dedication, brought together students, faculty, and administrative staff under one roof to honour excellence across diverse domains.

*Kritagya* serves as a formal acknowledgment of the relentless hard work and consistent performance by the NLIU community throughout the academic year. This year's edition was marked by a spirit of unity, pride, and gratitude as achievers in academics, sports, and administrative roles were recognized for their contributions to the university's growing legacy.

Students who brought laurels to NLIU by excelling in national and international moot court competitions were among the key honourees. These mooters not only demonstrated exceptional advocacy skills but also showcased the university's commitment to nurturing top-tier legal minds. In addition, students who made a mark in the field of legal research by publishing papers in reputed law journals were also felicitated for their scholarly contributions. Sporting excellence was not left behind, as individuals and teams who triumphed in various tournaments at the inter-university and national levels were applauded for their spirited representation of NLIU.

Importantly, *Kritagya* also extended its gratitude to the backbone of the institution – the faculty and administrative staff. Professors who played a pivotal role in academic mentoring and intellectual growth, and staff members whose tireless efforts keep the university functioning smoothly, were recognised for their invaluable service. The members of the Student Bar

Association, whose efforts brought the event to life and who continually work towards student welfare, were themselves acknowledged for their dedication.

The ceremony stood as a reminder of the collaborative spirit that defines NLIU – a community where academic excellence, co-curricular triumphs, and institutional contributions are all celebrated equally. *Kritagya* was not just an event, but a tribute to the perseverance, talent, and collective progress of the NLIU fraternity.
